The sinking of the TITANIC in the early hours of April 15, 1912, remains the quintessential disaster of this century. A total of 1,517 souls—men, women and children—lost their lives (only 711 survived). The fact that the finest, largest, strongest ship in the world—called, in fact, the “unsinkable” ship—should have been lost during its maiden voyage is so incredible that, had it not actually happened, no author would have dared to contrive it. But the catastrophe had social ramifications that went far beyond that night's events.

Titanic the Musical is sponsored by First Citizens National Bank, Marion Technical College, and Ohio State Marion.

The Hot Air Buffoons have competed internationally and have been ranked in the top 50 quartets in the world for 8 years running. Two of those years they were ranked as high as 16th. Despite their successes in the competition venue, The Hot Air Buffoons' true love is to entertain.

The Allies are gracious enough to return to the Star for this concert. They have qualified to compete in the Barbershop Harmony Society International Quartet Competition for the past seven years, placing as high as fifth place in the World in 2010. Having performed all across the United States and Canada, The Allies are well-known for their fun-loving positive attitudes and their big ringing chords!

Each year barbershoppers from around the globe converge on one location for the Barbershop Harmony Society International Quartet Competition. Only 51 quartets in the world qualified this year to participate in the competition. We are lucky enough to have three of these coming to the Star for a show that is sure to delight.

The concert will begin at 7:00 p.m. If you are an avid barbershop singer or have never heard barbershop, this show is sure to be an enjoyable and entertaining evening. Tickets are \$15.00 each and can be reserved by calling the Star Theatre Box Office at 419-294-1411. All tickets are reserved so reserve your seats early.
